

Carla is the mother of two children. She enjoys cooking, dancing and listening to music. Whenever she's bored or wants to think and clear her head, she goes shopping... at the grocery store. 😊
Her family is always ready to try what new recipe she comes home with after these trips.

Carla is a new grandmommy and spends most of her free time spoiling her grandson Larry aka Big Guy.

Positive thought

Today is a wonderful day; take some time to live in the present.
